AUCT

Auctioneer Accreditation

Become an auctioneer

Obtain this certification to become an accredited auctioneer. Take this course to gain the knowledge you need to conduct auctions as a real estate agent or a stock and station agent for properties, land, or livestock.

The Auctioneer Accreditation course is made for those with a strong voice who thrive on the excitement of the auction moment. Take this course if you are looking to become an Auctioneer and your Certificate IV or Diploma courses did not include any Auctioneer units.

Skill level

Class 2 or above

Course length

1 - 6 months

Course delivery

Flexible

Prerequisites

Class One or Two Licence

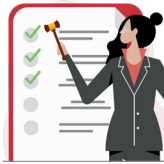

Location

**Online,
Mixed Mode,
Classroom**

Certificate of completion

Auctioneer Accreditation

CPPREP4161

Undertake Pre-Auction Processes

Learn the skills and knowledge required to undertake pre-auction processes by reviewing contract details, confirming vendor expectations and preparing for the day of auction.

CPPREP4162-4163

Conduct and Complete Sale by Auction and Post Auction Process

Learn the skills and knowledge required to conduct an auction of property and complete post-auction processes and contract execution by holding an auction and executing a contract with the successful bidder.

Enrolment Process

Simply enrol via the website, or you can contact our office direct to complete the enrolment form. For the complete process you will need to provide evidence of identity and completion of any prerequisites.

Career Pathway

As a Class 2 or Class 1 agent with several years of practice, you either want to expand your skillset or you may want to specialise in auctioneering.
